Independent Auditor's Report

Board of Directors
Appletree Condominium Association
Arapahoe County, Colorado

We have audited the accompanying balance sheets of Appletree Condominium Association as of December 31, 2009 and 2008 and the related statements of revenue, expenditures and changes in the operating fund and the revenue, expenditures and changes in the replacement fund, and cash flows, operating fund for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, and also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Appletree Condominium Association as of December 31, 2009 and 2008 and the results of its operations of the operating fund and of the replacement fund and its cash flows, operating fund for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

APPLETREE CONDOMINIUM ASSOCIATION

NOTES to FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

HISTORY and SIGNIFICANT ACCOUNTING POLICIES

History

Appletree Condominium Association was incorporated December 30, 1977, as a Colorado Nonprofit Corporation. The Association consists of the owners of 156 residential condominiums housed in 13 buildings and located in unincorporated Arapahoe County, Colorado. The Association's purpose is to perform the obligations and duties set forth in the Condominium Declaration filed December 27, 1977, through its elected Board of Directors. Those obligations and duties include representing all owners, each of whom specifically own the "airspace" within their unit plus certain limited common elements, in matters concerning the common elements (land, buildings and recreational facilities) in which each "air space" owner has an undivided interest and to operate, maintain, improve or add to those common elements in a manner which will protect, promote and advance the health, safety, welfare and interests of those owners and to maintain the common elements in a first class manner.

To accomplish these goals, the Association's Board has the right to levy equal annual assessments per unit that shall be a legal debt second only to a recorded mortgage on the condominium unit. The right to levy assessments includes amounts for day-to-day operations, assessments for the funding of a major replacement and maintenance reserve ("replacement fund") or for special assessments to fund unplanned, unbudgeted major expenditures.

When the Developer transferred title to the common elements of the project to the Association, no value was set on these assets by the developer and therefore, no dollar amount for these assets has been recorded in the Association's financial statements. Major additions to the common elements, paid for with Association funds, will be recorded as an asset. Annual assessments levied on each personal unit owner for the "replacement fund" are considered as additional costs of the unit for income tax purposes.

Significant Accounting Policies

Accrual Accounting

The financial statements of Appletree Condominium Association are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, as applied to *Common Interest Realty Associations*. The reporting format is consistent with that developed by the *Institute of Real Estate Management* to report annual results of operations within the condominium industry.

APPLETREE CONDOMINIUM ASSOCIATION

NOTES to FINANCIAL STATEMENTS DECEMBER 31, 2009 and 2008 (Continued)

Significant Accounting Policies (Continued)

Fund Accounting

The books and records of the Association recognize two primary funds:

Operating Fund: This fund records the daily activities of operating the Association, including the annual budgeting, assessing of the owners, collecting of assessments, disbursing funds under the annual budget and paying income taxes, if any are due, on income unrelated to membership in the Association.

Replacement Fund: This fund records that portion of unit owners' annual assessments restricted to future major maintenance, repair and replacement expenditures as projected in the Association's July 1995 *Engineering Financial Reserve Analysis* (updated in 1999) Reserve Study. This study forecasts the cash necessary to fund the projects considered advisable to maintain the Association's property in first class condition.

Furniture and equipment or major common element asset additions purchased by the replacement fund may be transferred to and recorded in the operating fund with the related accumulated depreciation. Major maintenance, repair or replacement projects to date have been expended by the replacement fund, not capitalized.

This fund invests in income producing securities. Income from these investments are recorded in the replacement fund; However, income taxes, if any, have been charged to the operating fund.

Certificate of Deposit

As of December 31, 2009, the portfolio of the replacement fund consists of five certificates of deposit. Maturity dates are spread throughout 2010 and 2011 with interest rates ranging from 0.20% to 1.60%. At December 31, 2008, there was one certificate of deposit which bore an interest rate of 3.80% and matured on June 30, 2009.

Prepaid Items

Appletree Condominium Association may pay certain expenses such as insurance on an annual basis. The portions to be expensed in future accounting periods are recorded as prepaid items.

Prepaid Assessments

Monthly assessments to the members are billed in advance, and may be paid prior to the period billed. Any early payments received are recorded as prepaid assessments and not recognized as income until the appropriate accounting period.

APPLETREE CONDOMINIUM ASSOCIATION

NOTES to FINANCIAL STATEMENTS

DECEMBER 31, 2009 and 2008

(Continued)

Significant Accounting Policies (Continued)

Fair Value of Financial Instruments

The carrying value of cash, short-term receivables, short-term payables and long-term debt approximate their fair value at December 31, 2009. The fair value of debt is estimated based upon current interest rates for obligations with similar terms and maturities.

Income Taxes

The Association is responsible for any income taxes due on its income from sources unrelated to members' ownership of condominiums. Such income may include interest, dividends, and other unrelated income. Income tax filings may be under a special election as an Homeowners Association, or as a standard Corporation. Filings in 2009 and 2008 were as a standard Corporation.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2: Assessments Receivable, Net

The receivables arising from ordinary homeowner activities are, in management's opinion, collectible in full since they constitute a legal debt of the property subject only to a prior first mortgage on the condominium. The total owed to the Association includes any late fees and may include legal fees incurred. Collection of these debts, however, may require the Board of Directors exercise the Association's legal remedies and even if the Association were to act on its possible remedies, the debt and the costs to do so may not be totally recoverable, therefore an allowance for uncollectable accounts has been established of \$23,000 and \$36,860 at December 31, 2009 and 2008, respectively. The reduction in the allowance for uncollectable accounts is due to an increase in assessment collections. Assessments receivable are shown on the Association's financial statements at the total billed amount net of the allowance for uncollectable accounts.

NOTE 3: Replacement Fund

The Association's governing documents direct the Board to accumulate funds for future major maintenance, repairs and replacements. Accumulated funds are held in a separate account and are generally not available for day-to-day operations. The Board commissioned an independent building consultant to prepare a study of the future major maintenance, repair and replacement needs of the common areas of the Association. This study, updated in 1999, projects the need for funds and their possible use from 1999 through 2015.

***APPLETREE CONDOMINIUM
ASSOCIATION***

NOTES to FINANCIAL STATEMENTS

DECEMBER 31, 2009 and 2008

(Continued)

NOTE 3: Replacement Fund (Continued)

Actual earnings and expenditures may vary from the amounts estimated in the 1999 updated study, and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major maintenance, repairs and replacements. If additional monies are found to be necessary, the Board has the right to increase regular assessments restricted to the replacement fund, pass special assessments, or delay the major maintenance and replacement projects until funds are available.

NOTE 4: Restatements

Certain accounts from the December 31, 2008 financial statements have been reclassified to conform to the presentation at December 31, 2009.

Independent Auditor's Report on Supplementary Information

Members of the Board of Directors
Appletree Condominium Association
Arapahoe County, Colorado

Our report on our audits of the basic financial statements of Appletree Condominium Association at December 31, 2009 and 2008 and for the years then ended appears on page 1. These audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole.

The supplementary information for the year ended December 31, 2009, *Actual Revenue and Expenditures Versus Budget for the Operating Fund*, on page 11, is presented for the purpose of additional analysis and is not a required part of the basic financial statements of Appletree Condominium Association. Such information, except for the column marked "Unaudited" on which we express no opinion, has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

The *Future Major Repairs and Replacements Proposed for the Replacement Fund* presented on page 12, is not a required part of the basic financial statements of Appletree Condominium Association at December 31, 2009 but is supplementary information required by the American Institute of Certified Public Accountants. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the method of measurement and presentation of the information. However, we did not audit the information and express no opinion on it.

**FUTURE MAJOR REPAIRS and REPLACEMENTS
PROPOSED for the REPLACEMENT FUND**

DECEMBER 31, 2009

The Association's Board of Directors contracted a study in 1995, updated in 1999, to estimate the remaining useful lives and the replacement costs of the components of the Association's common property. The study was prepared by an independent building consultant who inspected the common areas of the property. Costs were based on estimates, including 6.0% inflation, offset by 3.5% earnings, to repair or replace the common property components at the date of the study. Estimated current replacement costs have not been revised since that date.

The following table is based on the 1999 study and presents significant information about the components, estimated lives and costs of common property:

<u>Components</u>	<u>1999 Estimated Remaining Useful Life in Years</u>	<u>1999 Estimated Current Replacement Cost</u>
Concrete	6	\$ 3,169
Asphalt	3 to 8	57,504
Retaining Walls	2 to 4	22,810
Pool	1 to 15	37,361
Building Roofs and Exteriors	2 to 10	452,385
Electrical	1 to 5	206,000
Crawl Space	1 to 3	500,400
Drainage	1 to 14	161,184
Tennis Court	7 to 8	11,600
Other	1 to 12	<u>10,200</u>
TOTAL		<u>\$ 1,462,613</u>
