Ray's Reminders

- We will be trying to switch over from the heating to cooling around the 15th. Both will be available until further notice.
- **Ice Melt:** Someone has been adjusting the ice melt control for the ramp to the Humboldt Street garage. This has caused it to not work as it should. Please discuss any needed adjustment with Ray. Please do not touch.
- **Air Filters:** Before the change over from heating to A/C we would recommend changing the filters on the air handlers. The office does have Air Filters available for \$5.00. Please call the office and set up a time with Ray so he can install it.

Board Meeting:

We would love to invite everyone to the board meetings each month. The meetings are the 3rd Thursday of every month! May's meeting is **May 16th, 2013 at 6:30 PM.**

Reminder:

Please remember that hours for contractors/moving are from 8 AM to 4 PM. Any workers remaining in the building after that will be warned verbally and if it continues, further action may be taken.
