INAUGURAL ISSUE

Great Gardening Tips from Rosanne

Rosanne Schultz (Unit 45): Chair of the Landscape Committee

★ To prevent accumulating dirt under your fingernails while you work in the garden, draw your fingernails across a bar of soap and you'll seal the undersides of your nails so dirt can't collect beneath them. Then, after you've finished in the garden, use a nailbrush to remove the soap and your nails will be sparkling clean.

★ Next time you boil or steam vegetables, don't pour the water down the drain, use it to water potted patio plants, and you'll be amazed at how the plants respond to the "vegetable soup."

★ Turn a long-handled tool into a measuring stick! Lay a long-handled garden tool on the ground, and next to it place a tape measure. Using a permanent marker, write inch and foot marks on the handle. When you need to space plants a certain distance apart (from just an inch to several feet) you'll already have a measuring device in your hand.

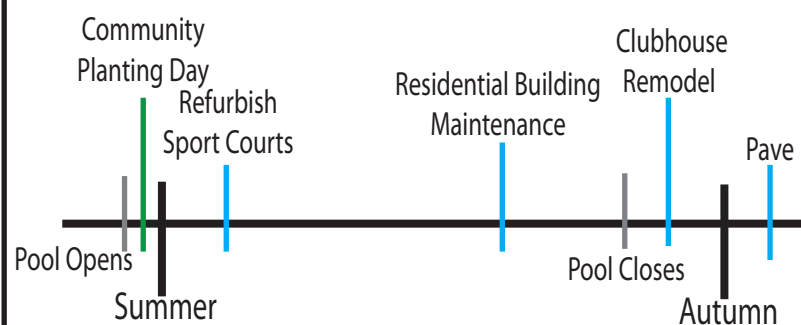

★ The quickest way in the world to dry herbs: lay a sheet of newspaper on the seat of your car, arrange the herbs in a single layer, then roll up the windows, close the doors and dry to perfection. What's more, your car will smell great.

Welcome
New Community
Members

Please stop by and greet our newest neighbors.

It's HighLine Time To Get To Know Our Community's Residents

Who is in the spotlight this quarter?

Buzz and Shelley Rappaport (Unit 6)

Moving from Portland, OR, Buzz and Shelley settled into the Highline Club on November 19, 2013. Since arriving, they have been working on several home projects to make their house a stunning home. This includes a beautiful new kitchen (I got an official tour).

Buzz is a retired Audiologist, although we use the word "retired" loosely as Buzz didn't get his nickname for sitting around. He is an avid woodworker (visit the kitchen!), loves cycling, tennis and doing the NYT crossword in pen. He also gives back by volunteering for Rebuilding Together. This is a community organization that remodels existing homes for those who are elderly, physically and financially challenged in

REMINDER: PLEASE SLOW DOWN

Highline Club speed limit is 15 MPH.
For the safety of our neighbors and wildlife,
please drive slowly through our community.

Page 2

an effort to allow them to continue living in their own homes safely and comfortably.

His lovely wife of 21 years touts a varied and exciting life. She started out as a stylist in New York, studying at the famous Vidal Sassoon School in England. She then became an aesthetician and nurse. She combined these two skill sets and until she retired, she was a Nurse Aesthetician. She worked for Plastic Surgeons on the medical side and maintained an aesthetician practice within the medical practice. Now, she is harnessing her artistic spirit and loves card making and scrap booking. She even fulfills custom card orders for the holidays (hint).

Buzz and Shelley are delightful together. They will be celebrating their 22nd wedding anniversary this year and have 4 grown children and 6 grandchildren. Together, (besides kvetching ... they said it, I didn't), they are movie buffs, love long walks and traveling. They are busy planning their next big trip to southern Spain, specifically, Andalusia, and then on to Morocco.

When asked what they are excited about this summer, they most appropriately responded with they are "looking forward to meeting neighbors, socializing with the community, and just having fun."

Have a Great Summer!
