Get To Know Your Neighbor-Arleta Benham

Arleta moved to PWT in 1978 when it changed to condos. She was originally from Nebraska but came to Colorado and worked as a hotel/condo accounting controller and upon moving here was responsible for setting up and keeping the books for our condo building for a few years. In her condo she has a world map showing her many travels as a member of the Denver Port of Call Travel Club. She can tell you a lot about interesting parts of six continents! She also enjoyed painting. She has 3 children including Kathleen who lives with her here at PWT. She also has 4 grandchildren that she loves to visit. Arleta says she has enjoyed living in our building all these years!

Parkway Towers Annual Meeting

Was held on Feb. 9th. The new Board members were elected for the year. Acting Board members, Jill Hrobsky and Jeff Teter were re-elected. Newly-elected member Glenn Mattau replaced Flo Raitano. Other Board members continuing in the new year include Joseph Page and Robert Boczkiewicz.

When you see Flo in the elevators or parking garage be sure to give her a big THANK YOU! for her service this past year.

New Garage Door Safety Feature

After leaving or entering the building, you can now push the button again to close the door – a great safety feature. Don't worry - it won't close if another car starts to enter.
